

ALUMNI

UPDATES FROM HOBY MAINE

Registration for the 2018 Seminar is **OPEN!** We currently have one student registered from Boothbay Region High School and one student from Gardiner Area High School! It would be a huge help if all alumni could take a few minutes and stop into their guidance office or send an email to their old guidance counselor if graduated to ensure that they are planning to register a student this year. Direct any questions to Gisele Grover, Director of Recruitment.

Are you interested in volunteering at the 2018 Seminar?

We are looking to build a group page for those interested in coming back to seminar so that we can communicate ways for you to be involved during the planning year, and talk about the different volunteer opportunities during seminar. If you are interested in coming back to volunteer at seminar this year, please send me an email at lexi@hobymaine.org so that I can add you to this page!

Habitat for Humanity Alumni Build Day:

Last month, we had an outstanding time volunteering with Habitat for Humanity in Scarborough! We helped build a deck, hung cabinet blocks, and most of all had fun! Thank you so much to those who joined me!

ALUMNI SPOTLIGHTS

At the HOBY Maine 2017

Seminar, volunteer And 2009 alum Katie Zema mentioned that she was planning to run a half marathon!

To support her, some duly named "half crazies" decided to walk the 13.1 miles! It was a challenge for

all of us, but we had a really good time and we all finished! Katie even achieved her goal of finishing the race under 2:20! During the race, we ran into 2009 alum Cathy Caron, who ran the half as well! Congratulations Katie and Cathy!

COMING EVENTS

Volunteer with Girls on the Run!

research-based curricula which includes dynamic discussions, activities and running games. Over the course of the ten-week program, girls in 3rd-8th grade develop essential skills to help them navigate their worlds and establish a lifetime appreciation for health and fitness. The program culminates with girls positively impacting their communities through a service project and being physically and emotionally prepared to complete a celebratory 5K event.

For the past few years at seminar, one of our volunteer projects for Leadership in Action has been making tutus for the GOTR volunteers to wear at the 5K. Last year, we also volunteered at the Fall 5K at the Happy Hair station, where we spray painted runners and families' hair with fun colors, and then cheered them on along the race course.

Want to volunteer at this year's 5th Anniversary 5K? Send me an email to sign up!
